

HURRICANE PREP TIPS 2025

P: 843-881-4707

E: INSUREME@SIGSC.COM

In the event of a claim situation please reach out to your insurance carrier or to your local agent. This information is listed on your declarations page of your homeowners insurance policy.

Keep a copy of your declarations pages in your disaster preparedness kit. Schirmer Insurance Group is available to answer any questions that may arise while reviewing policy information. Advise your agent of any contact information changes; phone number, email addresses or mailing addresses.

- Know and share your evacuation plan with your household, family and close friends. Do not post on social media. Posting and sharing can elevate your risk of individuals knowing you are not home and could lead to potential theft.
- Hurricane Kit Essentials:
 - * First Aid Kit
 - * Battery powered radio with extra batteries
 - * Flashlight with extra batteries
 - * Local maps (you can pick up at any city office)
 - * Water(1 gallon for every person in household)
 - * Keep your gas tank filled during hurricane season
- Make copies of important documents such as proof of homeownership, auto, boats, birth certificates and passports. Take inventory of your personal property on your smart phone or camera.
- Protect your home. Secure all outside items that may fly and cause damage such as patio furniture, loose limbs from trees, and children's play toys.
- Pets! Don't leave home without them! Make sure your pets are included in your hurricane evacuation plan.
